# DuraStripe® Cleaner

## ALL PURPOSE CLEANER AND DEGREASER

- Biodegradable
- Water Soluble
- Contains No Hazardous Chemicals
- Environmentally Safe for People, Animals, and Plants

*Our proprietary DuraStripe® Cleaner is a non-hazardous, environmentally friendly, versatile, cleaning concentrate that is formulated for clean, residue free floor preparation before DuraStripe application, as well as for maintaining DuraStripe products on a facility floor after installation. It can also be mixed with water in a variety of concentrations for many other cleaning and degreasing applications in an industrial or commercial facility.*

a quality product from ERGOMAT®

| | | |
|---|---|---|
| Non-Toxic | Neutral pH | No VOCs |
| No Odor | Non-Flammable | Non-Corrosive |

*DuraStripe cleaner can be effectively used in floor scrubbers, pressure washers and steam cleaners. It is a non-toxic, odor free, non-flammable, biodegradable water-based emulsion that is perfect for maintaining all DuraStripe marking products.*
